WELCOME

The Painted Hills Genealogy Society extends a warm and hearty welcome to you. Our society makes genealogy research accessible to anyone who is interested in developing and preserving family histories and vital records. The society also strives to educate others, while making the field of genealogy fun and exciting to young and old alike.

Our society is unique as it is the only ONLINE genealogy society that is specifically involved with Allegany, Cattaraugus, Chautauqua, and Steuben counties in New York State, and McKean and Potter counties in Pennsylvania. As we continue to grow we are adding more information from all areas to better accommodate our members needs.

The Painted Hills Genealogy Society website is accessible to everyone to view, but only dues-paying members may submit genealogy material such as surnames, queries, mail links, biographies, and photos to be posted on the website. Members also are provided free lookups and are listed in the PHGS Member List. All of this is a significant benefit to you serious minded researchers and for only \$5.00 per year. Lifetime Memberships are also available for \$75 and can be paid in three monthly installments during the first year.

When you visit the PHGS website <http://www.paintedhills.org> you will discover genealogy in a way you never thought possible, because it will actually be fun.
