Introduction

Roswell and Emily (McCluer) Warner were pioneer settlers in Franklinville, Cattaraugus County, NY. All the lists of their children that I have found include only the 7 children who appear in the census with their parents. But there were three more children who are clearly identified by deed records, and had married and left home before the 1850 census. They are my great grandmother Polly (Warner) Kinyon, Adeline (Warner) Crosby and Emeline (Warner) Washburn.

Here is what I have learned about this family. It is presented in 6 sections:

Part I
Roswell and Emily Warner

Roswell Warner comes to Cattaraugus County

The coming of Roswell Warner to Cattaraugus County with his parents is told in local histories:

> During the summer of 1806, Moses Warner [Jr.], with his four sons, Moses, Jr., Parley, John, and Roswell, all from Vermont,* settled upon lot 5, township 4, range 5; and three of the boys, on attaining their respective majorities, took part and parcel of the same lot. —*History of Cattaraugus Co . . . , 1879*, p 310

The local history continues:

> But little is known concerning the old gentleman [Moses] except that he was a cooper and worked at his trade. The mother left a legacy of good deeds behind her. She was an excellent nurse, and also possessed considerable skill in combating diseases with roots and herbs. She was often called on to perform the more delicate duties usually assigned to the medical profession, and when such calls were made there was no night too dark or rough, no path too lonesome or obscure, no day too cold or stormy for Mother Warner to hasten to the bedside where her services were needed. She possessed good health and a lithe, wiry frame, and never troubled herself or those around her for horse or carriage to take her to the sufferer's couch. Many a patient had reason to say "God bless you, Mother Warner." She had a strong well-balanced intellect, and in short might be termed a walking volcano of wit, sarcasm, and good humor. The boys inherited their mother's constitution and many of her characteristics, and were noted for their courage, powers of endurance, and love of fun.

Roswell Warner was also mentioned in the 1879 local history:

> Mr. Warner, during his prime, was a match for any man in the wrestling-ring, or at other athletic sports, and has probably slain more deer, and felled more timber, than any other man in town. —*History of Cattaraugus Co. . .* 1879, p 309

Birth of Roswell Warner

Roswell Warner was born Nov 25, 1794 in Stafford, CT to **Moses Warner Jr.** and **Rachel/Rachel Ryder**. The details for Moses and Rachal are summarized below. Moses Jr. was a veteran of both the Revolutionary War and the War of 1812.

d. Aug 17, 1840, age 81, Venango Township, Erie Co, NY

m. May 2, 1782 **Rachal Ryder**, Tolland CT.
b. Rachal baptized Apr 16, 1761, West Stafford, CT, daughter of Daniel and Jerusha Ryder/Rider
d. Aug 2, 1850, age 89, Venango Twp, Erie Co. NY

---

* Moses Warner Jr. moved his family from Stafford, CT to Randolph, VT in 1796, then to Springfield, MA in 1799, back to Stafford, CT by 1800, and thence to Franklinville, according to his Revolutionary War pension file.

There are records of Moses and Rachal's ancestors back to their arrival in America, but that is beyond the scope of this chapter.

The Warner farm

The Warner farm was on lot 5, township 4, range 5, in the hamlet of Cadiz, town of Franklinville, Cattaraugus Co, NY. The town of Franklinville is nestled in the foothills of the Allegany Mountains, about 50 miles south of Buffalo.

Roswell Warner marries Emily McCluer

About 1815, in Cattaraugus County, Roswell met and married Emily McCluer. Emily was born Aug 7, 1798 at Halifax, Windham Co, VT. Emily was a daughter of General Joseph McCluer and his wife Betsy.

General Joseph McCluer, Emily's father

Emily's father General Joseph McCluer is famed as one of the first pioneers in what is known today as Cattaraugus County, New York. He was a surveyor for the Holland Land Company. He served in the state militia during the War of 1812. In 1806 he moved his wife and family to the Ischua Valley. It was there that he established McCluer's Settlement, now known as Franklinville.

After their marriage, Roswell and Emily took over a portion of Roswell's father's farm. They raised a family of 12 children, who are the subjects of the next section.

Death of Roswell and Emily Warner

Emily died at age 69 on Nov 11, 1867. After her death, Roswell lived with his son Martin. Roswell died at age 84 on May 27, 1879 in Franklinville. Roswell and Emily are buried in the Cadiz Cemetery in the town of Franklinville. There is a single gravestone.

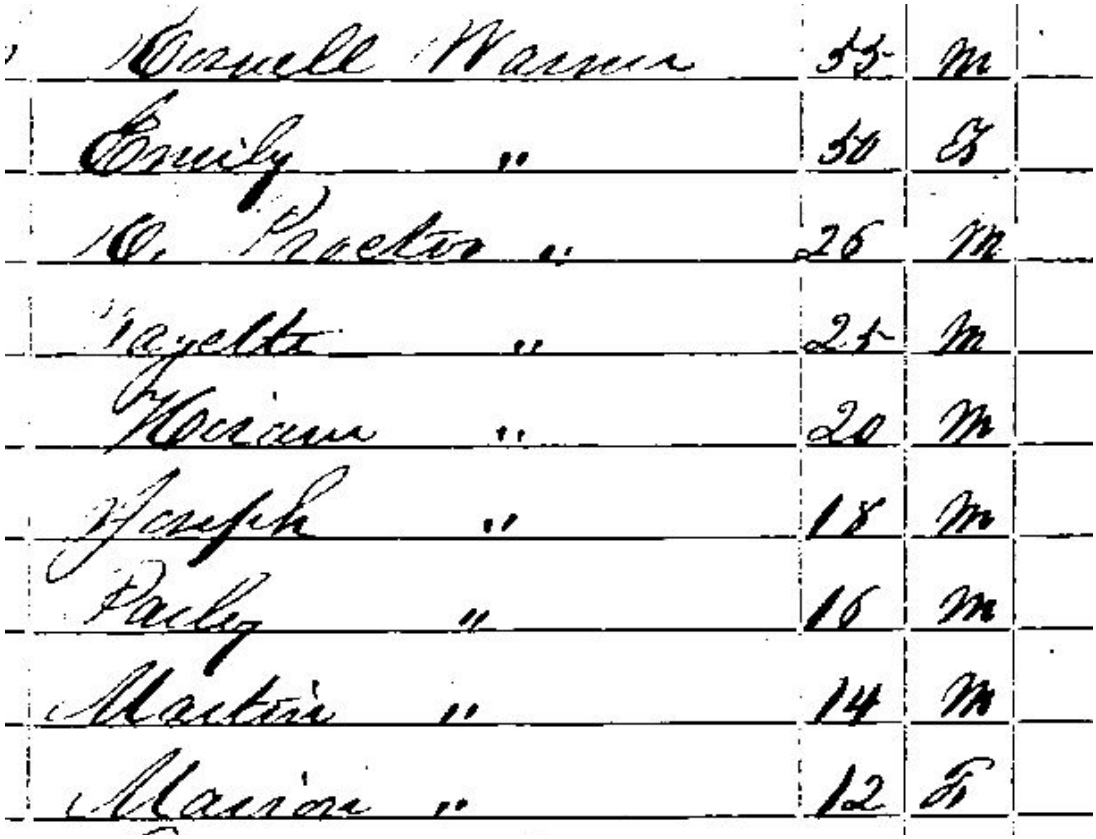
The ancestors of Roswell and Emily have been traced back to Colonial times, but that is another story.

Part II
Discovering the names of the children of Roswell and Emily Warner.

The accounts that I have seen of the children of Roswell and Emily Warner list only those who appear in the 1850 census living with their parents:



Roswell Warner	55	M	
Emily "	50	F	
R. Proctor "	26	M	
Fayette "	24	M	
Hiram "	20	M	
Joseph "	18	M	
Parley "	16	M	
Martin "	14	M	
Marion "	12	F	

Reproduction of the 1850 census entry for the family of Roswell and Emily Warner, Franklinville NY. This was the first census to record the names of family members. The names are:

Roswell
Emily
R. Proctor
Fayette
Hiram
Joseph
Parley
Martin
Marion

The 1855 NY State census states that Emily had given birth to 12 children, but only 8 appear in the 1850 census, so the list is obviously incomplete. Emily was 50 years old as of the above census, so no more children were born after 1850. The missing children must have either left home or died before the 1850 census.

Two deeds clearly identify three children of Roswell and Emily Warner who left home before the 1850 census: On December 16, 1836, eight persons with

the surname Warner bought 63 acres of land in lot 5, township 4, range 5, Franklinville, for $154.05 from the Holland Land Company, the original owner of most of the land in Western New York (Cattaraugus Co. Deeds 8:66, FHL film 0578406). The same names can be read with improved legibility from the grantor deed index (FHL film 0578142, sheet 833). On May 1, 1851, six of the same eight persons sold 6/8 of this land to Robert Dow and wife for $1500 (Cattaraugus Co. deeds 28:127, FHL film 580624). The names of the persons are:

Bought 12/16/1836	**Sold 5/1/1851**
Adaline Warner	Adaline (Warner) Crosby
Emaline Warner	Emaline (Warner) Washburn
Roswell P. Warner	Roswell P. Warner
Polly Warner	Polly (Warner) Kenyon
La Fayette Warner	La Fayette Warner
Hiram Warner	Hiram Warner
Joseph Warner	—
Parley Warner	—

Note that he deed of sale gives both the maiden and married names of the women.

All the names except Adaline, Emaline and Polly are the same as children of Roswell and Emily Warner as identified from the 1850 census. As we show below, Adaline, Emaline and Polly are also their children, who never appear in the census with their parents, because they had left home by the date of the 1850 census, the first to give the names of family members.

Martin and Marion do not appear in the 1836 deed because neither had been born yet.

The money to buy the land must have been a gift, but we were unable to identify the donor.

The chart on the following 2 pages provides an overview of all of the known descendants of Roswell and Emily Warner. They are covered in detail in Part III, which follows.

The 1855 NY State Census states that Emily Warner had a total of 12 children, but sources were only found for 10. The other two children were likely to have been born and died before the 1850 census, the first to record the names of all family members.

Detailed account

1. Adaline/Adeline Warner

Adaline was born about 1817 in Franklinville, and died there, at about age 66, on Aug 16, 1883. She married **Jedediah W. Crosby** about 1850. He was the son of Jedediah and Mabel (Austin) Crosby. Jedediah W. Crosby was born about 1815 in Franklinville and died there on Jun 3, 1899 at about age 84. Jedediah and Adeline settled on Crosby Hill in Franklinville. He was a farmer. They are buried in Mt. Prospect Cemetery in Franklinville. They had four children:

a. Florence Crosby is said to have been born and died in 1850.

b. Ella Crosby was born about 1851 in Franklinville. By 1875, she married **Dudley A. Kenyon**, son of Samuel and Clarissa (Trowbridge) Kenyon. He was born Apr 8, 1850 in Humphrey, and died at age 74 on Sep 25, 1924 in Franklinville. Ella and Dudley had no children who survived them, although there could have been a child who died in infancy. Ella died prior to 1884, when Dudley married his second wife **Elizabeth Reid**. It is not known where Ella is buried. Dudley, his parents, siblings and three wives, are covered in detail in Chapter 12 of the *Kenyons of Cattaraugus County, NY*, by Richard L. Kenyon, available online (See source G2).

c. Mabel/Mable E. Crosby was born in Dec 1853. She died at age 75 on Mar 18, 1926 in Franklinville, Cattaraugus Co, NY. About 1880, she married **Thomas J. Wheeler**. He was born in March 1857 in New York and died at age 55 on Aug 7, 1912 in Cattaraugus Co, NY. He was a farmer: They had two children:

i. Gerald Wheeler was born and died in 1881.

ii. Auris/Aurie Wheeler was born in Sep 1885 and died at an unknown date. On Sep 18, 1813, he married **Catherine Anger**. She was born Aug 10, 1896 in Fort Erie, Welland, Ontario, Canada, to William S. and Catherine (Young) Anger. Tragically, she died in 1914, the year following her marriage, and was buried in Wildwood Cemetery, Salamanca, NY.

By 1920, Aurie had married **Percel Cleora Armstrong**. She was born Sep 9, 1886, to Frank and Ella (Bixby) Armstrong. Percel had been previously married to a **Henry Lonsbury**, by whom she had a daughter **Ella Lonsbury**, born about 1909. Aurie and Percel had two children: **Thomas J. Wheeler**, born about 1919, and **Mildred Wheeler**, born in 1920. The daughter Ella from Percel's previous marriage was not present.

By 1925, Percel and Aurie were divorced, and Percel had married **William J. Wark**. William was a long time employee of the American Railway Express Company, stationed in Salamanca. William was born Sep 12, 1875 in Franklinville, Portage Co, OH, to Frank and Belle (Hought) Wark. We have found no record of a marriage prior to Percel. Percel's two children by Aurie were apparently adopted by William Wark, as they had the

surname Wark.

On May 12, 1927, the local paper contained a shocking story of an attempted jailbreak by Aurie and his third wife Fern:

> Mrs. Fern Wheeler, 23 years old, of 66 Wilson street, Salamanca, arraigned in county court this afternoon on a charge of conveying to prisoners four 10-inch hack saws, a file and a knife on March I2th, with intent to facilitate their escape, pleaded guilty. She was sentenced to six months in the penitentiary by Judge 0. E. Block; presiding. Her husband, Aurie Wheeler, 38 street, Bradford, one of the prisoners, and charged with conveying hacksaws into the jail to effect the escape of several other prisoners, also pleaded guilty. He was sentenced to Auburn prison to serve not less than two nor more than four years. A charge of abandonment against Wheeler was dismissed.
>
> —*Salamanca Republican Press*, May 12. 1927

We have no idea what happened to Aurie after he was sent to prison. The only known record of Aurie's marriage to Fern is the above newspaper story. But, we believe that "Fern" was **Fern Love**, who was born July 28, 1904 to Earl H. and Irene Lewis Love. She lived in the area, and was definitely age 23 in May 1927, identical to the age and date of Fern in the above jailbreak story.

Fern had been previously married to **Ole Olson**. In 1925 they lived with Fern's parents in Salamanca, Cattaraugus Co, NY. There were no children. By 1940, Fern was married to **Lee Lunn**, and lived in Columbus, Warren Co, PA. Fern died at age 64 in Sugar Grove, Warren Co, PA, on Sept. 16, 1968. She was buried in Cherry Hill Cemetery in Sugar Grove.

d. Marion Crosby was born Aug 14, 1857 in Franklinville, and died at age 81 on Apr 17, 1939 at the Blocher nursing home in Williamsville, NY. She is buried in Mt. Prospect Cemetery, Franklinville. She never married. After the death of her parents, Marion lived with her sister Mabel.

2. Emaline/Emeline Warner

Emeline was born about 1819 in Franklinville. About 1847 she married **William Washburn**. He was born in Aug 1817 in New York, the son of Howland and Hannah Washburn. Emeline and William lived in Franklinville next door to William's parents. Emeline died at the age of about 35 on March 28, 1854 in Franklinville.

After Emeline's death, William lived with his parents. His death date is not known. Emeline is buried in Cadiz Cemetery, in Franklinville. The burial place of her husband William has not been found.

They had only one known child:

a. Joseph Washburn, born about 1848. Found only in 1850 census with his parents.

Gravestone of Emeline Warner, Cadiz Cemetery, Franklinville

3. Roswell Proctor Warner (known as Proctor Warner)

Proctor was born circa 1821 and died after 1892, probably in Franklinville. No cemetery information was found.

He was bluntly described by the 1870 census as "idiotic", and lived with relatives all of his life.

4. Polly (Warner) Kinyon

Polly Warner is my great grandmother. If all of the known information on her life, husband and descendants were included here, it would dwarf the information on Roswell and Emily and all of their other descendants. I have have prepared very detailed biographies of Madison S. and Polly (Warner) Kinyon, their children and grandchildren, which tell the full story. See item G4 in the Bibliography for details.

Grave of Polly (Warner) Kinyon at the Chapellsburg Burying Ground, Humphrey, Cattaraugus Co. NY. The top of the stone broke off years ago. —Photo by Chris Chapman.

Polly was born in 1824 in Franklinville, Cattaraugus Co, NY. In 1848, she married Madison S. "Matt" Kinyon, son of John S. and Susan (Sheldon) Kinyon. Madison was born July 15, 1815 in Rhode Island. In Cattaraugus Co, he was a farmer and sawmill operator. Polly and Madison had 5 children, all born in Cattaraugus County.

Polly died at the age of about 34, on February 26, 1858, and was buried in the Chappelsburg Burying Ground in Humphrey, of which Madison was a founding trustee.

Madison remarried to Sarah Fults and had 5 more children. He moved by wagon to Jasper Co, Iowa in 1860, where he turned wilderness land into a prosperous farm. He died there at age 76 on his home near Newton, on June 27, 1892. He has numerous living descendants. All the family history items from his estate have been preserved, including over 100 photos of his family and relatives.

The children of Madison and Polly are:

a. Fernando Kinyon 1849 – 1917, m **(Nancy) Jane Taylor** 1845 – 1921.
b. Almeda Kinyon 1851 – 1921, m **(Robert) Andrew Vance** 1848 – 1915.
c. Armitta Kinyon 1854 – 1888, did not marry.
d. Vallejo Kinyon 1855 – 1937, m **Addie Alzina Borland** 1861 – 1944.
e. William Conell Kinyon 1857 – 1860. Buried in the Chappelsburg Burying Ground, Humphrey, Cattaraugus Co, NY.

Complete biographical and genealogical details for all ten children have been posted online by the writer. See item G2 in the Bibliography (page 31) for how to access them.

5. Lafayette Warner

Lafayette Warner was born in June 1825 in Franklinville, Cattaraugus Co, NY. About 1854, he married **Rhoda A. Slocum**, the daughter of James and Elizabeth Slocum. Rhoda was born about 1826 in Wilton, Saratoga Co, NY, and moved to Cattaraugus Co about 1851. The family left Franklinville at an unknown date, and had by 1870 moved to Freeborn, Freeborn Co, MI. By 1880, they lived in Marshfield, Clackamas Co, OR. By 1890 they lived in Portland, OR, where Lafayette was a fruit grower. Finally, they moved to Santa Anna, Orange Co, CA by 1900. In those days, Orange County was a major orange growing area.

While in Michigan, Lafayette enlisted in Company F of the Minnesota 10th Infantry Regiment, serving in the Civil War from Feb 24, 1863 to Mar 1, 1865.

Lafayette died in Santa Ana Jun 13, 1902 at about age 77. Rhoda continued to live in Santa Ana until her death on Nov 16, 1917 at about age 91. They are buried in Santa Ana Cemetery Santa Ana, CA.

Lafayette and Rhoda had 4 children, but only Sarah lived to adulthood.

a. Parley T. Warner: Son, born about May 1855, and died Sept 24, 1856 at age 1 year 4 months. He was buried in Cadiz Cemetery, Franklinville, NY.

b. Name unknown Died prior to 1870.

c. Name unknown Died prior to 1870

d. Sarah Lois Warner was born Jan 2, 1859, and died March 25, 1908 in Orange Co, CA, at about age 48. She was buried in Santa Ana Cemetery, Santa Ana, Orange Co, CA. About 1886, she married **James Henry Deardorff**, who was born in Clackamas, Oregon Territory Dec 19, 1854, and died at age 69 on Oct 2, 1929 in San Diego, CA. He is buried beside his wife Sarah. After her death, James remarried in Jul 1918 to **Alice Amanda Henry**, probably her second marriage. She was born Nov 13, 1857 in IN, and died Mar 5, 1948, in Stanislaus Co, CA, where she is buried. Sarah and James had three children:

i. **Ruth Inez Deardorff** was born Feb 4, 1887 in Multnomah Co, OR. She died at age 67 on Jul 5, 1954 in Los Angeles, CA. She married **John Daniel Shaw** who was born Jun 22,1880, Malagawatch, Nova Scotia, Canada. He moved to the United States in 1896 and became a U.S. Citizen in 1914. He died Aug 25, 1968 in Los Angeles. He was a landscape architect. Ruth and John had one child:

1. **Ruth I. Shaw** was born about 1815 in Los Angeles, and was last found in 1930 living with her parents. We found no marriage or death information.

b. Annette Deardorff (originally Etta Ann Deardorff) was born Sep 4, 1889 in Oregon, and died at age 94 on Jul 4, 1983 in Multnomah Co, OR. She did not marry. She was a schoolteacher.

c. Ralph Warner Deardorff was born Aug 9, 1894 in Portland, Multnomah Co, OR, and died Dec 16, 1961 in Multnomah Co, OR, at age 67. He was an engineer. He married on Aug 30, 1922 in Alameda, CA, **Mary V. De Kay**, daughter of George H. and Carrie (Young) De Kay, who was born about 1897 and died on Sep 22, 1963 in Gilliam Co, OR, at age 66. Three children:

i. **Donald K. Deardorff** was born about 1926

ii. **James W. Deardorff** was born about 1929

iii. **Valerie K. Deardorff** was born about 193**2**

6. Hiram Warner

Hiram was born about 1830 in Franklinville, and was last found there in 1850. We have been unable to discover what happened to him. He is not to be confused with the Hiram Warner who was a son of brother Martin.

7. Joseph Warner

Joseph Warner was born about 1832 in Franklinville, and was last found in the 1855 census. We have been unable to discover what happened to him.

8. Parley Warner

Parley Warner was born about 1834 in Franklinville and not found after the 1850 census. We have been unable to discover what happened to him. He should not be confused with the Parley Warner who was the brother of Roswell Warner.

9. Martin Warner

Martin Warner was born in June 1837 in Franklinville, NY, and died at 72 on Feb 27, 1910 in Milton, Ulster Co, NY. He was a Civil War veteran. He was five feet four inches high, and had fair complexion, hazel eyes, and brown hair.

Martin married **Margaret Callery** about 1861 in Cattaraugus Co, NY. She was born in Dec 1845 in Shaftsbury, VT, the daughter of Hugh and Betsy Callery. Margaret died at age 56 on March 20, 1902 in West Salamanca, Cattaraugus Co, NY.

Martin and Margaret are buried at Wildwood Cemetery in Salamanca, Cattaraugus Co, NY.

We are fortunate to have a brief account of Martin's life in his own words. He wrote the following in a deposition for his Civil War pension application:

> My residence all of the early part of my life was Franklinville, Cattaraugus Co, NY, until October 1863, when with my family I went to Steele County Minnesota, on a visit to relatives there, where I intended to and did spend the following winter, spring and summer.

Their second child Florence Annie was born there May 14, 1864. Martin's account continues:

> When I enlisted [in the Union Army] my wife and child returned to Franklinville, N.Y. On my discharge from the service I also returned to the same place [Franklinville] without going back to Minnesota.
>
> While I remained at Franklinville, I lived on my father's farm and worked for him as much as I was able, or rather we worked together and divided the proceeds. I lived in Franklinville until about March 1875, when I removed to Ellicottville, same county and state. I resided there until September 1880, when I removed to Limestone [in the Town of Carrolton, Cattaraugus Co, NY].

Martin Warner's service in the Civil War was as follows: He was enrolled on Aug 16, 1864, at Owatonna, Steele Co, MN, in Co. D, 11th Regiment of Minnesota Volunteers, and mustered into service as a Private on August 16, 1864 at Ft. Snelling, Minnesota. In March 1865, while serving in the Union Army at Pilot Knob near Gallatin, TN, Martin was afflicted with yellow jaundice and sent to a hospital at Gallatin, TN. He had been assigned to guard the trains of the Louisville and Nashville Railroad, which involved riding on top of the

cars in all kinds of weather, and he believed that this caused his illness. He returned to duty Dec 8, 1864. He soon had a relapse while doing picket duty and was returned to the hospital. He was discharged from the service directly from the Hospital on May 30, 1865. He had served a little more than a year.

In his Civil War pension application, Martin stated that about 1880 he gave up farming and worked at "general labor at light kinds of employment" because of health problems originating with his Civil War service. He said that he then lived in Limestone (a hamlet in the town of Carrolton in Cattaraugus Co, New York).

Martin's wife Margaret died Feb 27, 1910. Martin then moved in Milton, Ulster Co, NY with his daughter Florence Stinson for the last twelve years of his life.

Martin and Margaret are buried in Wildwood Cemetery, Salamanca, Cattaraugus Co, NY.

Children of Martin and Margaret Warner

Martin and Margaret had eight children. Only 5 survived their parents:

a. **Emma/Emogene J. Warner** was born about 1862, and last found in 1870. No marriage information.
b. **Florence Anna Warner**, was May 14, 1864, and died after 1910. Found in the 1870 and 1880 census with her parents, and in 1905 living with her widowed father. There she is listed as widowed, surname Ackley. Ackley may be be an error, for in her depositions in Martin's Civil War pension file she gives her surname as Stinson. She is found under that surname in 1910, living in the home of her sister Adelaide.
c. **Addie/Adelaide B. Warner** was born Dec 6 1866. Her death date unknown. She was married about 1895 to **Charles Parker**, who was born about 1891 in Scotland. They were last found in 1910 in Yonkers, Westchester Co, NY. Three known children:
    i. **Adelaide H. Parker**, b about 1896 in NY.
    ii **Ethel W. Parker**, b about 1898 in NY.
    iii. **Marguerette Parker**, b about 1900 in NY.
d. **Hiram E. Warner** was born Sep 7, 1868, and died in 1945 at about age 77 in Salamanca, Cattaraugus Co, NY. On Jul 30, 1891 in Eldred, PA, he married **Addie M. Douglas**, daughter of Andrew J. and Betsy E. Douglas. Addie was born Apr 24 1872 in Tioga Co, NY, and died Aug 6, 1931 in Salamanca, NY, at age 59. Hiram was a railroad conductor. Hiram and Addie are buried in Wildwood Cemetery, Salamanca, Cattaraugus Co, NY. Four children:
    i. **Grace Warner** was born Dec 13 1891 in McKean Co, PA. She died Feb 15, 1973 at age 81 in Franklinville, Cattaraugus Co, NY. Her place of burial is not known. She was the second wife of **James Martin Thomas**, who was born May 13, 1878 in Kinzua Heights, Warren Co, PA. He was the son of

Rubin and Rebecca (Bright) Thomas. He died Jan 28, 1944 at age 65, and is buried in Westview Cemetery, Starbrick, Conewango Twp., Warren Co PA. He was a mechanic. They had one child, **LeRoy**, born about 1922.

ii. **Daisy Warner** was born Jan 20, 1894 in PA, and died in Jan 1977 in Salamanca, Cattaraugus Co, NY. About 1815, she married **William Gilbert**, who was born about 1876 and died after 1940. He was a farmer. They had at least 6 children, including **Myrtle** b about 1816, **Earl** b about 1920, **Theran** b about 1924, **Charles** b about 1929, and **Hanlan** b about 1934. There may have been more children.

iii. **Clarence Warner** b Aug 1895 in PA. Last found in 1915 living with parents. No conclusive marriage or death information was found.

iv. **Artinsie Warner** b Aug 17, 1910, d Oct 1992. Married Feb 5, 1927 **Oliver Dustin Fluent**, who was born Jul 4, 1905, and died Aug 1973. He was a laborer. They resided in Salamanca, Cattaraugus Co, NY. They were buried in Crawford Cemetery, Salamanca. They had the following children: **Edward** b 1928, **Marie** b 1930, **Charles** b 1932, **Donald** b 1936.

f Fannie Warner was born about 1873 in Ellicottville, Cattaraugus Co, NY, and not found after 1880. She was not included in the list of Martin's children living in 1898 that was included in his Civil War pension file.

g. William Stephen Warner was born Oct 15, 1877 in Ellicottville, Cattaraugus Co, NY. He died of heart disease at age 77 on Jul 13, 1953 in Salamanca, NY. He married **Ada Coral Horth** (later spelled North) Jul 7, 1898 in Eldred, PA. She was born Dec 26, 1874 in Silver Creek, Cattaraugus Co, NY, and died at age 89 on Dec 22, 1964 in Oakland City, IN. They are buried in the family plot at Wildwood Cemetery, Salamanca, Cattaraugus Co, NY. Two known children:

i. Francis Edwin Warner was born Jul 11, 1898 in Salamanca, Cattaraugus Co, NY, and died at age 81 on Jun 6, 1980 in Bloomington, IN. He married **Jule Thorsen** Jun 30, 1923 in Hammond, IN. She was born Sep 8, 1902 in Hammond, IN, and died at age 85 on Aug 24, 1988 in Bloomington, IN. Their daughter Judy Ann (Warner) Schmid helped me greatly in finding sources for the Martin Warner descendants. Francis served in the Army during World War I but the war ended before he finished training camp, and he was discharged shortly thereafter. Francis and Jule are buried in Rose Hills Cemetery Bloomington, Monroe Co, IN.

ii. **Dorothy J. Warner** was born in 1909 (age 6 mo. on Apr 15, 1910). No additional information was found.

h. Name unknown. Probably born and died between the 1870 and 1880 censuses.

10. Marion Warner

Marion Warner, born about 1838, was present in the family of Roswell and Emily Warner in the 1850, 1855 and 1860 censuses, but does not appear in the 1836 and 1851 deeds. It appears that she was born after the siblings acquired the money to purchase the property. After the 1860 census, we have been unable to find her.

Part IV
Acknowledgements and remarks

I welcome questions, comments, additions, and corrections.

In 2000, I completed very detailed research on my great-grandmother Polly (Warner) Kinyon and her husband Madison S. Kinyon. It is unlikely that any additional information could be found.

This year I decided to research the descendants of Polly's siblings using source documents from the Internet. No doubt, additional sources will appear on the Internet in the future.

This document serves as a detailed introduction to the descendants of Roswell and Emily Warner. The next step would be to search local sources for documents not yet online, and to trace descendants to the present day to seek sources in the possession of the descendants. I did this for Madison and Polly (Warner) Kinyon, with very rewarding results. But, I am not in a position to do this for Polly's siblings.

I am very grateful to Gertrude Schnell, former head of the Ischua Valley Historical Society, who in 2000 sent me a copy of everything in the McCluer File—a treasure trove of information.

Former Cattaraugus Co Historian Lorna Spencer copied the Joseph McCluer probate file for me in 2000.

Copies of the deeds for land bought and later sold by the Warner siblings were obtained many years ago at the Huntington Beach Family History Center of the LDS Church.

Many thanks to Judy Schmid for sharing her research on her ancestor Martin Warner and his descendants.

Online sources for the present addition were primarily from Ancestry and FamilySearch.

I never use information directly from family trees posted online. However the Laird family tree on Ancestry.com included extensive source citations for the family of Hiram Warner. I accessed these sources and put them to good use. A query to "djwken", author of the Ancestry tree "TreebranchesSBK", provided three extremely useful newspaper obituaries that I would not have otherwise found.

Moses (Jr.) and Rachal (Ryder) Warner, parents of Roswell Warner

Moses' birth is from the record of his baptism at the Stafford, CT, First Congregational Church, **D37**. Moses' death date is from his Revolutionary War widow's pension file **M4**. His marriage to Rachal Rider is from the Barbour Collection 2:41, **D1**. Rachal's birth is also from the Barbour Collection, 2:23. Her death is from **N9**. Moses Warner's Warner ancestors can be found in **G3**. Moses' service in the Revolutionary War is from his pension file **M4**. Adams **B2** includes Moses in the list of Revolutionary War veterans, as well as the list of War of1812 veterans. The local history stories are quoted from **B1**, but very similar stories appear in **B2**. The places where Moses Warner Jr. lived are from a deposition in his pension file **M4**.

Roswell and Emily Warner

The birth of Roswell Warner is from the Barbour Collection of CT vital records: "Stafford VR 2:53, Roswell, s Moses & Rachal, b Nov 25, 1794 **(D1)**
The death of Roswell Warner is recorded in **D2**. His cemetery record is from **Cem1**.

The parents of Emily (McCluer) Warner were identified from **G1**, and from **D36a**, a probate record from the a of Joseph McCluer which names his heirs. The birth of Emily is from **G1** and **D1**. Her cemetery record is from **Cem1**

The census records are an important source for identifying members of the family and places of residence. They are summarized below:

Roswell Warner living with relatives

1870, C43 Household of Martin Warner: Roswell Warner 77
1875, C13 Household of Jedediah Crosby: Roswell Warner 82
1880 Roswell was still living, but was not found in the census

Identification of children: Based on census records for the family **C1** through

C4, plus the deeds **D3** and **D4**.

In 1870 Roswell is living in the family of his son Martin, **C43**. In 1875 he is living with his daughter Adaline and her husband Jedediah Crosby, **C13**.

1. Adaline (Warner) Crosby

Birth date estimated from age in 1850 and 1855 censuses **C2** and **C3**. Death date and burial from **Cem5**. Marriage from maiden and married name in **D4**, and biographical sketch of husband in **B1** p 652 and **B2** p 658. Date of marriage estimated from the fact that they were married but had no children as of the 1850 census **C2**. After her marriage, Adaline appears in the census with her husband Jedediah Crosby in **C5b**, and **C6** through **C9**. Her death is from **Cem5**. The death of her husband is from **Cem4**. Note the variant spellings of Jedediah in the census. The remarkable spelling "Tidelich" by both Ancestry and Family Search is due to illegible handwriting. Children were identified from the census, except as noted.

a. Florence Crosby: She does not appear in the census records for her parents, but is listed in **Cem4** and **Cem5**, in an undocumented addition made by the anonymous author of the Findagrave records for her parents. Her dates of 1850-1850 are consistent with having been born after the 1850 census, and died in infancy.

b. Ella Crosby: The above anonymous addition to the cemetery records of her parents on Findagrave (**Cem4** and **Cem5**) gives Ella's dates as 1853-1884. We did not find a source for the death date. The 1853 birth year is contradicted by the 1855 census, **C6**, in which Mabel was 4 years old. This is the earliest known record of her birth, and it is consistent with the age reported in 1855 through 1865 censuses when she was living with her parents. We believe that the birth year given by Findagrave is in error, and have used 1851. Ella married Dudley A. Kenyon, according to the obituary of Dudley **N6**. Ella died prior to Sep 1, 1897 when Dudley married his second wife Catherine Torrey. Her place of burial is unknown. For all known information on Dudley Kenyon see **G2**.

c. Mabel/Mable Crosby: Birth date and marriage date from the 1900 census **C16**. Marriage year from the same census. Found in census with husband in 1892 (**C15b**), 1900 (**C16**) and 1910 (**C17**), and as a widow in 1915 (**C18**), 1920 (**C19**), and 1925 (**C15**). Death and burial from **Cem7**. Husband's birth date from 1900 census **C16**. Husband's death and burial are from **Cem8**. Children were identified from their appearance in the census with their parents.

i. Gerald Wheeler: Only found in the undocumented data added anonymously to the Findagrave cemetery records for his parents, **Cem7** and **Cem8**.

ii. Auris/Aurie Wheeler: Birth date from 1900 census **C16**. Marriage to **Catherine Anger** from **D32**. Her birth date and parents are from **D33**;

her burial from **Cem24**. Aurie's marriage to **Percel Armstrong** is from **C21d**. Her birth date and parents are from **D31**. She appears in the census with her parents in **C21a** through **C21c**. Percel's previous marriage to **Henry Lonsbury** and their daughter Ella is from **C21c**. Children of Aurie and Percel from **C21d**. The daughter Ella from Percel's previous marriage was not present.

Percel's subsequent marriage to **William J. Wark** is from **C74**, **C21f**, **C21g**, for 1925, 1930, and 1940 respectively. His Birth date and parents are from **D30**. His occupation of "express messenger" is given in all censuses in which he appears. This occupation means that he was an employee of the American Railway Express Company, which had a monopoly on railway express at the time. The company name is given explicitly in his WW1 draft registration **D29**. His death date and burial are from **Cem23**. We have found no record of a marriage prior to Percel. The last record found for Percel was the 1940 census **C21g**.

Percel's two children by Aurie were apparently adopted by William Wark, as they had the surname Wark (**C21f**).

The attempted Jailbreak by Aurie and Fern Wheeler is from **N3**. We were unable to find Aurie in subsequent records. The only clue to the identity of Fern is from the newspaper story: As of the May 12, 1927 date of the newspaper story, she was 23 years old. We found a Fern Love in the 1905 New York State Census **C79** in Chautauqua Co, NY, who was 10 months old on the census enumeration date of Apr 15. We found the obituary of this Fern Love: **N8**. It gives the full birth date and parents' names, which are consistent with the 1905 census. With this information, we determined that Fern Love's age as of the date of the newspaper article was the same as that given by the article. Fern appears with her parents in the 1910 census **C81**, and with husband Ole Olson in 1925, **C82**. Fern was not found in 1930. Fern's subsequent marriage to Lee Lunn is from the 1940 census **C82**, her obituary **N8**, and father's obituary **N7**. We searched for other Ferns who met our criteria, but found no one close.

Percel (Armstrong) Wark was last found in the 1940 census, still living in Salamanca with her husband William Wark (**C21g**). William Wark died in 1856 and was buried beside his sister Bessie Wark in Marion Cemetery, Marion OH (**Cem23**). No death information was found for Percel.

d. Marion Crosby Birth and death dates from obituary **N5**. Birth date agrees with year and month from 1900 census, **C16**. Lived with parents according to the census.

2. Emaline/Emeline Warner

Emaline Warner (later spelled Emeline) left home before the 1850 census and was identified as a daughter of Roswell and Emily Warner from the deeds **D3** and **D4**. Emeline Warner married a Washburn according to the deed **D4**. She is found with her husband William Washburn in the 1850 census **C24**. Living next door are his parents. By the 1855 census, **C25**, William Washburn is again living with his parents, and Emeline has died. She is buried in Cadiz Cemetery (**Cem2**). The stone is readable and gives her year of death and age. Her year of birth was estimated from her age at death. William Washburn's birth year was estimated from his age in the 1850 census **C24**. His parents' names are from the census **C25**. No cemetery or death information was found for William.

3. (Roswell) Proctor Warner

There is no record of Proctor Warner's birth date other than the age reported in the censuses. These ages are quite inconsistent from year to year:

Year	Age	Birth Yr	Living with:	Census reference
1850	26	1824	Parents	C2
1855	34	1821	Parents	C3
1860	34	1826	Parents	C4
1965	44	1821	Parents	C5a
1870	49	1821	Martin Warner	C43
1875	51	1824	Jedediah Crosby	C13
1880	57	1823	Jedediah Crosby	C14
1892	68	1824	Jedediah Crosby	C15

Ordinarily, the first census after a person is born is most likely to give the correct age, but in the case of Proctor, this was roughly 26 years after his birth, and gives a birth year of 1824. This would make him the twin of his sister Polly. However, there are three independent sources for Polly's year of birth, all of which agree that she was born in 1824. There is no evidence that she was a twin of Proctor. Our best guess is that Proctor was born about 1821. Proctor appears in the 1836 and 1851 deeds **D3** and **D4**.

3. Polly Warner

Polly Warner left home before the 1850 census and was identified as a daughter of Roswell and Emily Warner from the deeds **D3** and **D4**. Polly Warner married a Kinyon according to the deed **D4**. The obituary of Madison S. Kinyon, **N1**, states that Madison married Polly Warner in 1848 in New York. Polly is found living in Humphrey with her husband and family in the 1850 and 1855 census **C23a** and **C23b**. Husband Madison has remarried by the 1860 census. The grave of Polly Kinyon is found in the records for the Chapellsburg Burying Ground in Humphrey. Over the years, a number of different records have been compiled for this cemetery, but they are all in substantial agreement. Findagrave.com, **Cem3**, includes a gravestone photo.

For complete details of the life of Polly and Madison S. Kinyon and their children see **G2**.

4. Lafayette Warner

Birth and death date from gravestone inscription **Cem9**. Civil War service from gravestone **Cem9** and Civil War record **M1**. The family of Lafayette Warner is found in the census in **C26** through **C30**, and in the Portland OR city directory **Dir5** (gives occupation). The widowed Rhoda is found in **C31**. Prior to her marriage, Rhoda was found in the census **C32** with her parents (the name, birth year, and place of birth exactly match the census records for our subject). Rhoda appears in the CA Death Index **D6.** Her gravestone inscription is from **Cem10**. Children were identified from the census. There is an entry in the 1900 census **C30** that Rhoda had four children of whom only one was living.

a. Parley T. Warner: His date of death is inscribed on his gravestone (**Cem14**), where he is named as a son of Lafayette Warner. This is consistent with the son of Lafayette who appears in the 1855 census (**C26**) whose age is given as 1 month as of the enumeration date of Jun 14, 1855. Ancestry has indexed the son's name as Darbey, but the entry is actually:

My interpretation is that this is really the same person as the Parley T. Warner, son of Lafayette, who is buried in Cadiz Cemetery.

b. Name unknown: One of the two children who were no longer living as of the 1900 census **C30** was not found in any census.

c. Name unknown: Same.

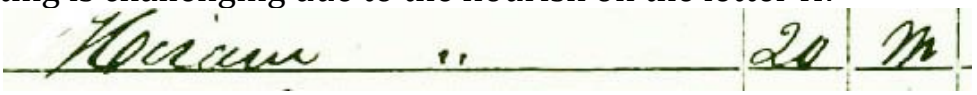
d. Sarah Lois Warner: Birth from **C30**. Death from **D18**. Place of burial from **Cem15a** (includes full birth and death dates). Date of marriage to James Henry Deardorff estimated from birth year of first child. James' date and place of birth and death is from **D18a**. Place of burial from **Cem15b** (includes full birth and death dates). His death date is also in **D19**. The family of Sarah and James Deardorff appears only in the 1900 census, **C77**. James was not found in 1910. Second marriage of James from **D36** and **C78**. Death of second wife from **D35**. Second wife with parents **C75**, **C76**. Sarah's children identified from census **C77** and **D**7.

- **i. Ruth Inez Deardorff** Birth from **D8**. Death from **D9**. After leaving home, she appears in the 1910 census **C83a** as the head of a household, with her siblings living with her, and in the 1920 census **C84** with her husband. Although she did not die until 1954 (**D42**) she was not found in later censuses. Her husband was living alone in the 1930 and 1940 censuses **C85** and **C86**. The full name of her husband, birthplace. Date of coming to the U.S., and naturalization date are from his naturalization record **D38**. His birth date is from **D38 and D39**. His death is from **D40** and **D41**.
- **ii. Annette Deardorff** (0riginally Etta Ann Deardorff). Birth from **D20**.

Death from **D43**. After leaving home, she is found in the census 1920-1940, **C87–C89**. Her marital status and occupation are from the census.

iii. **Ralph Warner Deardorff** Birth from **D13** and **D14**. Death from **D17.** Marriage to Mary DeKay from **D15**; her birth date is from this document. Mary was last found in the census **C34**. The family of Ralph Deardorff appears in the census in **C33** and **C34**. Ralph and Mary are found in Seattle City Directories, **Dir2** thru **Dir4**, which give Ralph's occupation.

6. Hiram Warner Found only in 1850 census with parents (**C2**). The census handwriting is challenging due to the flourish on the letter H:



When accessed in July 2015, the website findagrave.com gave Roswell and Emily Warner as the parents of the Hiram Warner who is buried in Breakabreen Cemetery, Schoharie Co, NY. This is not true and the error has since been corrected. The 1855 NY State shows that the Hiram Warner who lived in Schoharie Co was born in Schoharie County and therefor cannot be our subject. The Hiram Warner who was the son of Roswell and Emily Warner was born in Cattaraugus Co, NY.

7. Joseph Warner Found only in 1850 and 1855 living with parents, **C2** and and **C3**.

8. Parley Warner Found only in 1850 with parents, **C2.**

9. Martin Warner: Month and year of birth from 1900 census **C58a**. Date of death, Civil War Service, and biographical detail from his Civil War Pension File **M2**. His wife's name and their marriage date are also documented in this file. His wife's birth and death dates are also from his pension file **M2**. Their burial in Wildwood Cemetery is from **Cem16**. The family of Martin Warner appears in the census in **C56a**, **C56b**, **C57** and **C58a** and Martin as a widower in **C58b**. Martin's account of his life appears in his Civil War pension file **M2**. We know from the 1900 census **C58a** that Margaret had a total of 8 children, of whom 5 were still living in 1900. The names of the children living in 1898 are given in his pension file **M2**. The chart on the next page gives an overview of census data on the family of Martin Warner.

The family was not found in 1892.

a. Emogene/Emma Found in Census living with parents **C56a**, **C56b**, **C57**. Not living in 1898 (**M2**).

b. Florence Anna Warner Birthdate from her father's pension file **M2**. Found in census with parents **C56a**, **C56b**, **C57**. Widowed, surname Stinson, and living with widowed father in 1900, **C58b**. Living with sister Adelaide Parker in 1910, **C58c**. No known children.

c. Addie/Adelaide Warner Birthdate from her father's pension file **M2**. Found with parents in 1870 and 1880 censuses, **C56b** and **C57**. Found with husband Charles Parker, her three children, and her widowed sister Florence, in 1910, **C58c**. The names and estimated birth dates of her children are from this source.

d. Hiram E. Warner Birth date from his father's pension file **M2**. Date of death and burial location **Cem20**. He appears in the census with his parents in 1870 and 1880 (**C56b** and **C57**) and wife and family in the census **C59a** and **b** through **C62**. The children identified from these censuses. Marriage from **D24**, which includes his wife's parents' names. Wife's birthdate from 1900 census **C38**. Death and burial of Hiram and his wife from **Cem13a** and **Cem13b** respectively.

i. Grace Warner The SSDI for Grace Thomas (**D25**) gives b Dec 13, 1888, but the 1900 census gives Dec 1891. The year 1891 is more likely to be correct as it was recoded much closer to the time of her birth. A person's month and day of birth are usually remembered correctly, so we have corrected the SSDI birth date by substituting the year of birth from the 1900 census. Grace's death date is from **D25**; her place of burial was not found. Grace first appears as the husband of Thomas in the 1920 census **C66**, and subsequently in all

documents on James M. Thomas. James's first marriage is from the 1910 census **C65**, where he is living with his first wife Lotta V. and two children, Blanche and James H. James' birth date is from **D27**; his death from death is from **D26**. His cemetery record is from **Cem 22**. Grace and James had one child, Leroy, as of the 1930 census **C67**. He is mentioned in his father's obituary **N5**.

ii. **Daisy Warner** Birth from 1900 census with parents. Found with husband William Gilbert in the 1920 through 1940 censuses, **C69** through **C71**. Six children were identified from these censuses, but there could have been more. Daisy's death from **D28**.

iii. **Clarence Warner** Birth from1900 census with mother, **C38**. Last found in 1915 living with parents, **C48c**.

iv. **Artinsie Warner** Birth and death date from **D23**. Marriage from **N4**. Cemetery record for Artinsie A. Warner Fluent, **Cem18**. Death from **D22**. Marriage from **N4**. Husband's birth and death online at findagrave.com (**Cem19**) and Social Security Death Index **D23**. The family appears in the census in **C63** and **C64**.

e. **Hugh C. Warner** Birth date is ___ 11, 1870 (month illegible) from his father's pension file **M2**, but the 1900 census, **C48a**, gives Sep 1872. He appears in the 1880 census (**C57**) with his parents, and appears in the census with his wife and children 1900 to 1940 (**C48a** through **C48h**). His wife's maiden name is from **C48f**, where Mary A. Caldwell, mother-in-law, is living in the household. Minnie Caldwell appears with her parents in **C48**.

i. **Ona May Warner** appears in the census with her parents **C48a** through **C48c**. In 1920, she is boarding in Montgomery Co, teaching school **C48d**. Her birth year and month is given in the 1900 census **C48a**. Her college education is from **Dir5**. The name Ona is often misread in indexes of handwritten records, but the full name is typeset in **Dir5** and Ona May Warner is the correct name.

f. **Fannie Warner** was found only in the 1880 census **C57** with parents. She was not living in 1898 according to her father's pension file **M2**.

g. **William Steven/Stephen Warner** Full birth date from WW1 draft registration card **M6**. Same date in his father's pension file **M2**. Date agrees with month and year of Oct 1877 from 1900 census **C50.** The same census gives the marriage date. Found in census with family in **C50**, **C51**, **C52**, **C53**, **C53a**, **C53b** and **C53c**. Marriage to Ada from census, and cemetery records **Cem16**. Her maiden name is from the surname of her father who was living with her in 1915 and 1920, **C53** and **C53a**. Burial information from **Cem16**.

i. **Francis Edwin Warner** Found in census with parents 1900 through 1915, **C50** through **C52, C53**. Birth date from WW1 draft registration card **M6**. Cemetery records from **Cem21** for Francis and

Ada. The remaining information was given to me by her daughter Judy Schmid in 1999.

h. Name unknown. From the 1900 census we know that there were a total of 8 children, but documentation of the names was found for only 7. The children were born at intervals of about 2 years, but there is a gap in the known birth years between Fannie in 1873 and William in 1878 during which the unknown child could have been born and died, leaving no census record.

10. Marion Warner Found with parents in 1850 and 1855 census **C2** and **C3**. No other sources were found.
